

Dear Friend of OLR,

Welcome to our school! Since 1955, Our Lady of the Rosary Catholic School has offered students an inspiring education rooted in truth, goodness, and beauty. The family - your family - was created by God to be a perfect educational environment for your children. At Our Lady of the Rosary, we strive to model our school environment after the loving, faithful homes that entrust these beautiful children to us each day.

At OLR, we believe that a student must be known before she can be loved, and loved before she can be served. Within our walls your child will be respected for his or her unique gifts and supported through the challenges that accompany every young life. Your son will feel free to be himself. Your daughter will feel safe to take a chance.

Students at OLR receive an education in which teachers integrate the Catholic faith into all academic disciplines and seize opportunities to weave lessons about heroes and virtue into their instruction. An OLR education is not simply preparation for college or for a career. It is preparation for a lifetime of new experiences, friendships, and vocations, and a strong defense against the confusion of modern culture. It is preparation for a joyful life lived according to the Gospel.

We hope you enjoy your visit to our school, a joyful environment where students love to learn while learning to love. If you would like to learn more about OLR, please contact me at thomas.curtin@olrschool.net.
